Where the mind is without fear

Where the mind is without fear and the head 's held high
Where knowledge is free
Where the world has not been broken up into fragments
By narrow domestic walls
Where words come out from the depth of truth
Where fireless striving stretches its arms towards perfection
Where the clear stream of reason has not lost its way
Into the creary desert sand of dead habit
Where the mind is led forward by thee
Into ever widening thought and action
Into that heaven of freedom, my Father, let my country awake
